

Harbinger Systems ranked in The 2013 Global Outsourcing 100® listing for Second Year in a Row

Identified as a 'Balanced Performance' company among Top 100 Outsourcing Service Providers

PUNE, INDIA; REDMOND, WA, JUNE 10, 2013:

Harbinger Systems, a leading provider of software engineering services to some of the world's best product companies, has ranked #18 in Rising Star Judging Group and #93 in Global Outsourcing Top 100 service providers around the world, by International Association of Outsourcing Professionals® (IAOP®). Harbinger has received this recognition for the second consecutive year.

Harbinger Systems is identified as a 'Balanced Performance' company by IAOP, based on the company's key strengths and high ranking in multiple parameters such as Customer References, Company Recognitions, Employee Management and Executive Leadership. Harbinger Systems is named in the "Rising Star" judging group of the 2013 Global Outsourcing100® and has received following 2013 Sub List Honors:

Best 10 Rising Stars - Information/Comm. Technology Services

Best 10 Rising Stars - Health Care

Best 10 Rising Stars in UK

Best 20 Rising Stars in US

Best 20 Rising Stars - Technology (Hardware & Software)

Best 20 Companies- Research & Development Services

"We are pleased to be identified as a 'Balanced Performance' company in Global Outsourcing Top 100 listing. We thank IAOP for this honor," said Mr. Shrikant Pattathil, Executive Vice President, Harbinger Systems. "Harbinger's focus in cloud and mobility has helped build new relationships with software ISVs in multiple geographies. Our endeavor is to develop technology expertise in emerging areas like big data, to strengthen our partnership with our customers and prospects," adds Mr. Pattathil.

"Global competition is at an all time high, which is reflected in this year's rankings," said IAOP CEO, Debi Hamill. "This comes at a time when companies that outsource are scrutinizing their providers more closely. The Global Outsourcing 100 is the only guide to help companies research and compare service providers with whom they are considering outsourcing relationships."

The Global Outsourcing 100® is an independently judged, opt-in ranking of the world's best outsourcing service providers and advisors. The lists include companies from around the world that provide the full spectrum of outsourcing services and is also featured in a special advertising section in FORTUNE® 500 May 20, 2013 issue.

ABOUT HARBINGER SYSTEMS
