

Harbinger Systems Honored in The 2014 Global Outsourcing 100®

- Featured among world's best outsourcing service providers in six sub-lists
- Focuses on Internet of Things, Healthcare and Mobile security

PUNE, INDIA; REDMOND, WA, JUNE 30, 2014:

Harbinger Systems, a global provider of software engineering services, today announced its selection in the Global Outsourcing Top 100 service providers listing by International Association of Outsourcing Professionals® (IAOP®). This marks the third straight year Harbinger Systems has been featured in this listing.

The 2014 Global Outsourcing 100 recognizes the world's best outsourcing service providers. These rankings are based on applications received and evaluated by an independent judging panel organized by IAOP.

"Harbinger has always pushed the envelope to deliver innovative products for our customers. To support our customer's growth we have steadily increased our onsite presence especially in the Silicon Valley and it is gratifying to see that customers are appreciative of Harbinger's efforts. We see a reflection of this in Harbinger making it to the Top 20 in various sub-lists that IAOP has published. We thank IAOP for this recognition." said Shrikant Pattathil, Executive Vice President, Harbinger Systems.

He further added, "Focusing investments in new technology areas such as Internet of Things (IoT), mobile security, open source platforms such as VistA EHR in healthcare, our technology practices have empowered the teams to deliver superior products and solutions across all domains."

The Global Outsourcing 100 list also has sub-lists which jointly serve as essential references for companies seeking new and expanded relationships with the best companies in the industry. The different categories of sub-lists in which Harbinger has received recognition are:

Best 20 Rising Stars – Technology (Hardware & Software)

Best 20 Companies – Healthcare

Best 10 Rising Stars – Research & Development Services

Best 20 Rising Stars - Information/Comm. Technology Services

Best 20 Rising Stars in US, and

Best 10 Rising Stars in UK.

"Each year the competition to be named to The Global Outsourcing 100 lists continues to reach higher levels," said Jagdish Dalal, Chief Advisor, Thought Leadership, IAOP and Chairman of the judges' panel. "Given the strong competition, getting named to these lists is a great recognition and companies should be proud of achieving excellence in the field."

The 2014 Global Outsourcing 100 and The World's Best Outsourcing Advisors lists with rankings are now published in the special advertising feature produced by IAOP in the June 16 Fortune 500 issue of FORTUNE magazine and on IAOP's website.

ABOUT HARBINGER SYSTEMS

Harbinger Systems is a leading provider of software engineering services to some of the world's best product companies. Since 1990, Harbinger has developed a strong customer base worldwide.
