Harbinger Systems Sailing High In 'The Global Outsourcing 100' Listing for Consecutive Four Years

Exemplifies excellence, driven by innovation and customer centricity in the outsourcing services; bags the title consecutively for the 4th year

PUNE, INDIA; REDMOND, WA, MARCH 4, 2015:

Harbinger Systems, the global company providing software technology services, announced it has been named in 'The 2015 Global Outsourcing 100' listing for the fourth year in a row.

The Global Outsourcing 100 (GO 100) is an annual listing of the world's best outsourcing service providers, published by International Association of Outsourcing Professionals ® (IAOP®) The 2015 list is unveiled at The Outsourcing World Summit held in Arizona, on February 16-18th, 2015.

"We are excited to receive this honor for the fourth consecutive year. This is an acknowledgement of the confidence our customers exude in our delivery excellence and innovation. Our expertise includes cloud, analytics and mobility, in addition to Internet of Things and wearables space," said Jyotsna Kulkarni, President, Harbinger Systems. "With the strong focus on building unrivaled products, MVPs (minimum viable products) for Independent Software Vendors, especially in healthcare, Harbinger is all set to realize the vision of its customers," she added.

This distinction comes close on heels with Harbinger being voted as a 'Super Star' in Mobile Star Awards 2014.

Harbinger Systems builds software solutions leveraging social, mobile, analytics, and cloud (SMAC) technologies for domains such as human capital management (HCM), healthcare, e-learning, and publishing. Harbinger Systems also uses emerging technologies like big data, OpenStack, and Internet of Things (IoT) to develop products for tech startups.

Currently in its tenth year, The 2015 Global Outsourcing 100 recognizes the world's best outsourcing service providers. In determining the top 100, the companies are judged on four parameters: size and growth, delivery excellence, innovation programs and corporate social responsibility.

"Being named to The Global Outsourcing 100 list is no easy task," said Michael Corbett, IAOP Chairman. "IAOP is pleased to recognize Harbinger Systems for their excellence and achievement."

The Global Outsourcing 100 and its sub-lists are essential references for companies seeking new and expanded relationships with the best companies in the industry. The lists and the sub-lists, along with distinguishing stars for the highest rated companies will premiere in a special advertising supplement in the June issue of Fortune Magazine.

ABOUT HARBINGER SYSTEMS

Harbinger Systems is a global company providing software technology services for independent software vendors and enterprises, with a specialization in product engineering.
