

Harbinger Systems Recognized for the Fifth Time in The World's Best Outsourcing Providers (Global Outsourcing 100®) List by IAOP

Receives Special Recognition for 'Customer References' and 'Programs for Innovation', and Honored in four Distinguished Lists

PUNE, INDIA; REDMOND, WA, APRIL 18, 2016

[Harbinger Systems](#), a global company providing software technology services, announced today that it has featured in 'The Global Outsourcing 100®', an annual listing of the world's best outsourcing service providers, published by International Association of Outsourcing Professionals® (IAOP®). This is the fifth year that Harbinger Systems is recognized in The GO 100®. In addition, Harbinger bagged two full stars in 'Program for Innovation' and 'Customer References'.

"Earning this recognition for the fifth consecutive year reflects our deep customer relationships: co-innovating with our customers, bringing value in their digital transformation engagements, powered by an amazing Harbinger culture," said Jyotsna Kulkarni, President, Harbinger Systems. "We are grateful for the continued acknowledgement," she added.

Harbinger received a special recognition of two 'full stars' in 'Program for Innovation' and 'Customer References'.

- The Program for Innovation category demonstrates through specific programs and resulting outcomes how the service provider provides new forms of value for customers.
- Customer References demonstrates the value created for the company's top customers.

Harbinger is also included in the 'Super-Star' sub-lists in four categories – Sustained Excellence, Customer References, Programs for Innovations and Number of Employees as a Rising Star.

Harbinger provides Product Engineering services for ISVs and enterprises, especially in Human Capital Management, Healthcare and eLearning space. With agility and technical prowess at its core, Harbinger has built more than 200+ software products successfully and is very often, 100% of the engineering strength of its clients. Recently, Harbinger is exploring new domains pertaining to Data Science, Internet of Things and DevOps.

The 2016 Global Outsourcing 100® recognizes the world's best outsourcing service providers. The applicants are judged on five parameters: Size and Growth, Customer References, Awards and Certifications, Programs for Innovation and Corporate Social Responsibility.

"We're proud to recognize Harbinger Systems for being among the highest rated companies in Customer References and Programs for Innovation," said Debi Hamill, IAOP CEO.

The 2016 Global Outsourcing 100® list showcasing the best companies in each of the five judging categories premiere in a special advertising section of the 2nd Quarter 2016 FORTUNE 500 issue of FORTUNE magazine.

About Harbinger Systems

Harbinger Systems is a global company providing software technology services for independent software vendors and enterprises, with a specialization in product engineering. Since 1990, Harbinger has developed a strong customer base worldwide.

Harbinger Systems builds software solutions leveraging social, mobile, analytics, and cloud (SMAC) technologies and IoT (Internet of Things) for domains such as healthcare, human capital management (HCM), eLearning, and publishing. Harbinger Systems also uses emerging technologies like Big-Data and OpenStack for tech startups. International Association of Outsourcing Professionals (IAOP) ranks Harbinger Systems in The Global Outsourcing 100 listing consecutively for last five years. Recently, Harbinger is recognized in 2015 Global R&D Service Providers Rating – Product Engineering Services, by leading management consulting firm Zinnov.
