

Meet Harbinger Systems at Collaboration Zone at UNLEASH World 2019

Harbinger Systems, a global company providing software technology services, will be at the Collaboration Zone at UNLEASH World 2019, Paris - Oct 22-23, 2019.

PUNE, INDIA; REDMOND, WA, USA, October 17, 2019

UNLEASH World is the world's GREATEST and LARGEST show on the Future of Work and HR Technology. It also attracts a community of workforce technology buyers and solution providers who are helping transform organizational functions. It is one of the most popular platforms to hear, discuss, and understand new technologies and solutions in the HR Tech domain.

Team Harbinger Systems will be present at the Collaboration Zone at UNLEASH World 2019. We look forward to meeting Product Development Heads, CTOs, and HR Managers to learn more about their experience with next-gen HR Tech solutions. Reach out to hsinfo@harbingergroup.com to book a meeting with our leaders at UNLEASH World.

About Harbinger Systems

Harbinger Systems is a global company providing software technology services for independent software vendors and enterprises, with a specialization in product engineering. Since 1990, Harbinger has developed a strong customer base worldwide. Harbinger Systems builds software solutions leveraging social, mobile, analytics, and cloud (SMAC) technologies and IoT (Internet of Things) for domains such as human capital management (HCM), healthcare, eLearning, and publishing. Harbinger Systems is a part of Harbinger Group, a leading global provider of innovative software products and services to companies in over 60 countries.
